

My Rules for Online Safety

I will *never* give out personal information such as my address, telephone number, parents' work address/telephone number, or the name and location of my school without my mom, dad, or guardians' permission.

I will tell my mom, dad, or guardian right away if I come across any information or images that make me feel uncomfortable.

I will never agree to get together with someone I "meet" online without first checking with my mom, dad, or guardian. If my mom, dad, or guardian agree to the meeting, I will be sure that it is in a public place and bring one of them along.

I will *never* send a person my picture or anything else without first checking with my mom, dad, or guardian.

I will not respond to any messages that are mean or in any way make me feel uncomfortable. It is not my fault if I get a message like that. If I do, I will tell my mom, dad, or guardian right away so that they can contact the online service.

I will talk with my mom, dad, or guardian about setting up rules for going online. We will decide upon the time of day that I can be online, the length of time I can be online, and appropriate websites for me to visit. I will not access other websites or break these rules without their permission
